

# MULTIPLICATION BY REPEATED ADDITION (x)

**Step 1:** Multiplying by repeated addition

$7 \times 5 =$

This is the number you hop up in!

Don't forget to write the number sentence!

+5

0

(start at 0 and begin to add on by the number you are multiplying by)

**Step 2:** Multiplying by repeated addition

$7 \times 5 =$

This is how many hops you do!

This is the number you hop up in!

+5

0 5 10 15 20 25 30 35

(Keep hopping along the line!)

**Step 3:** Multiplying by repeated addition

$7 \times 5 =$

+5

0 5 10 15 20 25 30 35

When you have done 7 jumps of 5 (7 lots of 5) look at where you have landed!

**Step 4:** Multiplying by repeated addition

$7 \times 5 = 35$

Record the answer here!

+5

0 5 10 15 20 25 30 35
