

Co-opted Governors required

Stanbridge Primary School

The Governing Body of Stanbridge Primary school is seeking two Co-opted Governors to join them to represent community interests. A co-opted governor can be anyone who lives or works in the community served by the school, although this is not essential.

We are searching for people with the following skills, attributes or experience:

- A commitment to improving education for all pupils
- The ability to analyse data
- The ability to work in a professional manner as part of a team, and take collective responsibility for decisions
- Someone who has the time and capacity to commit to the role

Our school is committed to safeguarding and promoting the welfare of children. All staff and volunteers are expected to share this commitment.

If you are interested in becoming a co-opted governor or would like more information on what it would involve, please contact Maggie Todd, Chair of Governors, by email (mtodd122@outlook.com). To apply to be a co-opted governor, you will need to fill in an application form from South Glos Council and provide proof of identity.

For further information on the current governing body, please visit our website (<http://www.stanbridgeprimary.co.uk/governors.html>). You may also like to visit the South Gloucestershire Council website for further information on being a governor (<http://www.southglosgovernors.org/index.html>).

Closing date for applications is 30 April 2015.
