

STANBRIDGE PRIMARY SCHOOL

4th September 2017

RE: Stanbridge Pupil Leadership Jobs

Dear Candidate,

I am writing to you about our Pupil Leadership roles that really help to make our school a better place. It is now time to apply for one of these roles. If you have had one of these roles before, you can apply again. Equally, if you haven't had a leadership role before, you might like to put yourself forward!

- Are you a good role model?
- Do you like helping others?
- Are you willing to work hard?

Then you may want to become a:

- ❖ **Reading Buddy** (open to Year 3-6) – Helping younger children with their reading one to one and helping out in our school library.
- ❖ **Peer Mediator** (open to Years 3-6) – helping children to solve friendship problems or fall outs in the playground
- ❖ **Playtime Buddy** (open to Years 2-6) -helping children who have no-one to play with and organising games.
- ❖ **Sports Crew** (open to Years 3-6) - helping to organise competitive sports games and competitions across the school.
- ❖ **Perfect Prefect** (open to all year groups) – helping to keep our school tidy and organised. Carrying out special monitoring jobs around the school.
- ❖ **Junior Digital Leader** (open to Year 5 only) – working alongside Senior Digital Leaders to learn many new skills including film making and supporting teachers with the digital side of assemblies.

In recognition of your hard work you will be able to wear a special T-shirt/hoodie when in school taking on this role.

If this is a role which appeals and excites you then please do apply! All you need to do is write a short letter addressed to Miss Bertham. In the letter you must briefly explain why you should be chosen for the role. Not everyone will have a chance to become a leader this time, but we will aim to give as many children a chance as possible.

Remember to keep it short and be clear on why you think you would be good for the role! Deadline for applications is Friday 15th September 2017. Good luck.

Many thanks,
Miss Bertham
Head Teacher
