What worked well?

The schools analysis and attainment data at the end of April 2014 indicated that:

	Expenditure	Impact	Improvements
<p><u>PEPD Cultural Day-Bhangra Day.</u> Bollywood Vibe education group coming to school to provide Bhangra dance training for every child in the school.</p>	<p>£275 per teacher X2 Travel £60 Approx £610 <i>(Above is approx- waiting for final cost)</i></p>	<p>All children undertook Bollywood themed dance classes and learnt about the culture it originated from.</p> <p>Children learnt moves which joined together to make a final dance. Whilst performing they wore traditional themed clothing</p> <p>Several classes presented to entire school</p> <p>Music has been left in the school and placed on the system to enable children to carry on innovating their own dance moves during lessons and break times.</p>	<p>As all teaching staff took part in the Bhangra day, this day form could be planned as part of dance and Bhangra dance is explored more in PE lessons.</p> <p>Staff are more confident at making links to cultures across the curriculum through this themed day and within their topics.</p>
<p><u>Play Leader</u> Colin Mortimore leads play time activities during lunch and morning break. He will organise play buddies and create initiatives to enhance play times.</p>	<p>Approx £3,244</p>	<p>2</p> <p>Colin has organised and trained play leaders to enhance play for all. The leaders have organised games and activities every break time.</p> <p>Colin has developed good relationships with the children. He also introduces them to new games</p> <p>Colin has begun working with...</p>	<p>Play buddies were given more training and coaching on how to deal with certain situations and are more empowered to make the right decisions.</p> <p>More initiatives take place on how children can lead and monitor games.</p> <p>Playtimes are enhanced with less incidents and conflicts. Parents give extremely positive feedback.</p>
<p><u>Basketball Nets</u> Nets are used by all of KS2 during winter playtimes. (when not on field.) And used by basketball club weekly.</p>	<p>Approx £220 Three Quotes received.</p>	<p>1</p> <p>Basketball nets have been used every playtime by a designated year group (KS2). Children are encouraged to create group games and competitions The nets have been used to host one of our 'mini comps'</p>	<p>Unfortunately, one of the basketball was broken due the extreme wind. Because of this, only one basketball hoop is now available. This is used for basketball club.</p> <p>When replaced, the school team could host friendly</p>

		<p>in which 32 children took part</p> <p>They are also used each week for Basketball club- 20 children.</p>	<p>games with other schools or even run competitions.</p>
<p><u>Grange</u> Sports Partnership, CPD and competitions.</p>	£3180	<p>1</p> <p>The grange has provided CPD including: Dane training, Football training and multi skills for teachers. They have completed agility assessments on four year groups (1-4) They have provided detailed data for class teachers showing the strengths of the year group.</p> <p>They have provide ruby coaching and held a festival. They will be holding many more throughout the year.</p>	<p>Teachers have attended a range of CPD training after school – gym, dance, netball, swimming.</p> <p>PE teaching has improved and confidence in teaching PE is stronger.</p>
<p><u>House Point system</u> Install tubes for counting weekly winning team. These will be displayed in the hall. This will add a competitive element to collecting house points.</p>	£196	To be installed	<p>Children have loved the competitive nature of house point system and sports day was a true representation of this.</p> <p>Some of the rewards for the children could be a little more exciting. A possible budget could be introduced to really make the children want to win. This could be introduced so that all the children know what they are aiming for.</p>
<p><u>Compete Online</u> – purchase access to this online resource. Inter-school competitions.</p>	£150	<p>3 - Training took place in Term 1 fo9r all teachers. Sports coaches are using this resource well. His needs to be embedded and used more by teaching staff.</p>	<p>Sports coaches used this system to track children’s progress in a range of competitive games. This also enabled us to compete against other schools locally.</p>
