

# Year 1

If you have a **red word** spelling mistake, your teacher will **underline** it and write it correctly, **for you to copy**, at the bottom of the page.

If you spot **CL** or **.** above your sentence, it means that you have a missing **capital letter** or **full stop**. **Use your purple pen to add them to your sentence.**

When you see an **orange box**, redraft the writing inside it to make it even better.  
Remember to use your purple pen!
