

**Take Away Homework**

- Choose your homework from the menu below
- The **Peri-ometer** suggests the difficulty or challenge the homework may offer.
- Every week you should choose to complete at least one activity. Try *at least* one 'EXTRA HOT' task **each term!**
- Please hand any homework in on a **Thursday**.

 Topic	Writing	Maths Problems
Make a model of a volcano. Can you make it erupt?	Create a leaflet about a country of your choice. You could include key facts, information about the capital city, food, clothing and places to see.	Find out how far is it from Bristol to London travelling by car. If a car travelled at an average speed of 60mph, how long would it take to get there? If the car consumed fuel at 3 miles per litre, how much would the fuel cost at the current price of fuel (114p per litre)?
Have a meal from a different country with your family or just try some food from a different country.	Write a diary entry in role as an explorer.	Michael made a cake for 64 guests in the shape of a perfect cube. The inside of the cake was sponge, and he iced the cake with red icing. He of course didn't ice the bottom of the cake. Michael cut each side of the cake into 16 equal pieces, making a total of 64 pieces of cake, each exactly the same size. How many of the pieces of cake had 2 sides with icing? How many had 3 sides with icing? How many pieces had no icing at all?
Choose a country from the list below and find out 4 interesting facts about it. Argentina Canada Poland South Korea New Zealand Kenya	Write a descriptive paragraph about an environment. This could be a jungle, forest, sea, mountains etc.	Akiak is preparing to go fishing for his village. Each day, his dog sled can carry 12 baskets of fish with 300 fish in each basket. Akiak estimates that $\frac{3}{4}$ of the fish he catches will be Sculpin. How many fish will Akiak bring back to the village in a day? How many Sculpin will there be?
Which country has the largest population? Which country has the smallest population?	Write a fact file about an animal that is native to another country.	$\frac{1}{2}$ of 345 $\frac{1}{4}$ of 256 $\frac{3}{4}$ of 680 $\frac{1}{10}$ of 680 $\frac{3}{10}$ of 680 $\frac{6}{10}$ of 6800 $\frac{9}{12}$ of 1440

Year 6 T4

- Set Menu Homework**
- Complete these activities every week. Hand in your homework book on a Thursday.
  - Spelling is tested during your **Speed Spell**. See your log book for the words you need to practise.
  - Big Maths **Learn Its** will be assessed on a **Friday**.
  - Home Learning Diaries will be checked during your guided reading session so make sure you record your reading!  
**Your diary must be signed by an adult each time you read.**

Week	Reading	Spelling- in log book	Big Maths – 2 'Learn Its'
2	I have read for 10 minutes.	I am learning the spelling pattern/rule: <b>homophones</b> Weekly Spellings: <i>apparent, appreciate, category, cemetery, conscience</i>	I am popping:
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
3	I have read for 10 minutes.	I am learning the spelling pattern/rule: <b>plural nouns</b> Weekly Spellings: <i>conscious, controversy, convenience, criticise (critic + ise), curiosity</i>	I am popping:
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
4	I have read for 10 minutes.	I am learning the spelling pattern/rule: <b>plural nouns</b> Weekly Spellings: <i>definite, desperate, determined, disastrous, embarrass</i>	I am popping:
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
5	I have read for 10 minutes.	I am learning the spelling pattern/rule: <b>plural nouns</b> Weekly Spellings: <i>foreign, environment, existence, explanation, , frequently</i>	I am popping:
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
6			
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
7			
	M   T   W   TH   F	M   T   W   TH   F	M   T   W   TH   F
